## Profile

Motivated Emerging Technology in Business and Design student with a strong background in eSports, Web Development, Information Technology and Customer Service. Looking to find a role with an innovative company that will allow me to gain professional experience and help mold future career opportunities.

## Education

Miami University: Bachelor of Emerging Technology in Business and Design  
Expected Graduation: December 2021

## Experience

**Social Media Manager (Internship), Howard Hanna; Macedonia, OH** **April 2020 – Aug 2020**

- In charge of promotional content for the Macedonia office branch.
- Helping create engaging media to keep the real estate office in the forefront of Northeastern Ohio.
- Creating eye-catching graphics through Adobe Creative Suite.

**Public Relations Manager (Internship), Varsity eSports; Miami University** **Fall 2019 – Winter 2020**

- Acted as the face for Miami University's eSport program.
- Hosted groups of high school students interested in eSports; led tours and hosted Q&A sessions.
- Researched and set up community event around campus, such as watch parties and tryout sessions.
- Helped to establish the program as a brand, unifying messages and preparing for the future.

**IT Intern, Howard Hanna; Cleveland, OH** **Summer 2017, Winter 2017-2018, Summer 2019**

- In charge of inventory of all electronic devices at corporate office.
- Imaged new PCs; Re-imaged older devices in need of upgrades.
- Migrated and formatted all emails and new data from a purchased company.
- Updated Howard Hanna's current Ohio agents in Active Directory.
- Shadowed desktop support staff on regional office visits.
- Assembled new monitors and PCs to replace older models.

**Various Positions, Heinen's Grocery; Cleveland, OH** **June 2015 - August 2018**

**Meat Department Associate** **May 2018 - August 2018**

- Prepared and packaged customer orders at the meatcounter.
- Combined ingredients and created various prepared foods for prepackaged sales.
- Advised customers on best cuts and amounts for their specific needs.
- Sanitized work area and machinery to maintain health standards.

**Front-End Associate** **June 2015 - August 2017**

- Assisted customers with their checkout process, both as a cashier and a bagger.
- Loaded customer groceries into vehicles through parcel pickup.
- Helped customers locate grocery items in the store.
- Return unwanted items to proper locations or shelves.

## Other Experience

**Collegiate eSports Team, Miami University; Oxford, OH** **Spring 2018 - Present**

- Competed in Collegiate Star League Tournaments during the academic year
- Acted as the main carry and shot caller for the team

**Volunteer for eSports Club, Miami University; Oxford, OH** **Winter 2019 - Present**

- Assisted executive officers with tournament and event planning.
- Operated check-in tables and kiosks at events to promote sponsorships and community events.
- Helped build and take down decorations and technology for campus events.
